To the Editor:

I am writing to show my support for Jennifer Berkenstock as a candidate for the judge of probate in District No. 14. I have known Jennifer for the past six years; we met when I first moved to East Hampton and have been friends ever since. Jennifer is an honest and trustworthy friend, a devoted and loving mother and wife, and someone who I know I can count on for anything.

In addition to her 15 years of probate law experience, making her an ideal candidate for the position, Jennifer possesses the skills and personal qualities that I want in a probate judge. She's a great listener, who recognizes the unfortunate circumstances that often surround probate issues and the importance of confidentiality. I know that if elected, Jennifer would devote herself fully to the position.

If trustworthy, honest, hard-working, fair, compassionate, and full of experience are qualities that you believe are important in the candidate for judge of probate for District 14, then Jennifer Berkenstock is your candidate and I urge you all to get out and vote.
