To the Editor:

Jennifer Berkenstock is an ideal candidate for the position of probate judge for District 14. I have known Jennifer for several years and I admire her on both a personal and professional level. She is hardworking, honest, trustworthy, and above all, fair. She is also a good listener and compassionate, which are important qualities in any probate judge, due to the sensitive nature of probate issues. I feel wholeheartedly that she is the best candidate for our new district. Please join me in voting for her on November 2nd.
