To the Editor:

I can't tell you how excited I am about Jennifer Berkenstock running for Probate Judge. Why? Because I've known Jennifer for over 16 years. When we moved to East Hampton, her family was one of the first to welcome us to East Hampton. I may not see Jennifer every day or every month, but when we bump into each other in town, she always asks about my family. One of the things that allows me to back Jennifer is that I know from personal experience that she is trustworthy and discrete.

Jennifer is a very caring, compassionate person who truly cares about people and I have no doubt she would make a great judge.

Jennifer will always do what is right not what is popular at the moment, and for me? That's a refreshing change.

Sincerely,  
Kelly Pitcher, D.C.—East Hampton
